The Semi-Privacy line has one of the largest selections we offer. Customers are invited to pick one of our pre-made styles or to custom design their own. Semi-Privacy panels are specially designed to offer privacy without a “closed in” feeling. Our extensive selection offers open lattice styles as well as the more secure “front to back” large picket styles. All are available in color and woodgrain.

Our styles featuring lattice also have the added option of Eastern Green lattice. This helps to provide a multitude of choices to help compliment any landscape setting. Semi-Privacy fence panels include a metal reinforcement channel in the bottom rail to help create a stronger and longer lasting fence.

CONTEMPORARY PICKET

Contemporary Picket offers what is known as the “good neighbor” approach to fencing. It is a fence that features both sides of the panels being exactly the same. The pickets are assembled THROUGH the rails instead of simply being attached to them.
